Sir:

In response to the Office Action Requirement for Information dated October 4, 2005, having a shortened-statutory response period extending through and including December 3, 2005, please consider the following remarks:

Introductory Comments:

This application has been carefully reviewed in light of the Office Action Requirement for Information dated October 4, 2005, wherein:

Applicant and the assignee of this application are required under 37 CFR 1.105 to provide the following information that the examiner has determined is reasonably necessary to the examination of this application.

(1) A copy of any non-patent literature, published application, or patent (U.S. or foreign), by any of the inventors, or information that was used in the invention process, such as by designing around or providing a solution to accomplish an invention result. In response to this requirement, please provide the title, citation and
